6. BERKLEY GROVE ARCHITECTURAL REVIEW COMMITTEE.

A. Statement of Purposes and Powers. The Committee shall regulate the external design, appearance, use, location and maintenance of lands subject to these restrictions and improvements thereon, in such a manner as to preserve and enhance values and to maintain a harmonious relationship among Structures and the natural vegetation and topography.

(i) Generally. No dwelling, building structure or improvement of any type or kind shall be constructed or placed on any lot in the Development without the prior approval of the Committee. Such approval shall be obtained only after written application has been made to the Committee by the owner of the lot requesting authorization from the Committee. Such written application shall be in the manner and form prescribed from time to time by the Committee, and shall be accompanied by two (2) complete sets of plans and specifications for any such proposed construction or improvement. Such plans shall include plot plans showing the location of all improvements existing upon the lot and the location of the Improvement proposed to be constructed or placed upon the lot, each properly and clearly designated. Such plans and specifications shall set forth the color and composition of all exterior materials proposed to be used and any proposed landscaping, together with any other materials or information which the Committee may require. All building plans and drawings required to be submitted to the Committee shall be drawn to a scale of $1/4" = 1'$ and all plot plans shall be drawn to a scale of $1" = 30'$, or to such other scale as the Committee shall require.

(ii) Power of Disapproval. The Committee may refuse to grant permission to construct, place or make the requested improvement, when:

(a) The plans, specifications, drawings or other material submitted are themselves inadequate or incomplete, or show the proposed improvement to be in violation of these Restrictions;

(b) The design or color scheme of a proposed improvement is not in

harmony with the general surroundings of the lot or with adjacent buildings or structures;

(c) The proposed improvement, or any part hereof, would in the opinion of the Committee be contrary to the interests, welfare or rights of all or any part of other owners.

(Iii) Power to Grant Variances. The Committee may allow reasonable variances or adjustments of these Restrictions where literal application would result in unnecessary hardship, but any such variance or adjustment shall be granted in conformity with the general intent and purposes of these Restrictions and no variance or adjustment shall be granted which is materially detrimental or injurious to other lots in the Development.

B. Duties of Committee. The Committee shall approve or disapprove proposed improvements within thirty (30) days after all required information shall have been submitted to it. One copy of submitted material shall be retained by the Committee for its permanent files. All notifications to applicants shall be in writing, and, in the event that such notification is one of disapproval, it shall specify the reason or reasons.

C. Liability of Committee. Neither the Committee nor any agent thereof, nor the Developer, shall be responsible in any way for any defects in any plans, specifications or other materials submitted to it, nor for any defects in any work done according thereto. Further, the Committee does not make any representation or warranty as to the suitability or advisability of the design, the engineering, the method of construction involved, or the materials to be used.

D. Inspection. The Committee may inspect work being performed with its permission to assure compliance with these Restrictions and applicable regulations.

E. Continuation of Committee. When the Developer notifies the Association of discontinuance of his Architectural Control Committee, then the Directors of the Association, or their designees, shall continue the functions of the Committee with like powers.

"Commons" and "Common Areas" shall mean those areas designated on the plat as Block A and Block B and other common areas designated on future plats of Berkley Grove. plats nor the doing of any other act by the Developer is, or is intended to be, or shall be construed as, a dedication to the public of the commons.

A license upon such terms and conditions as the Developer, and the successors, assigns or licensees of the Developer, shall from time to time grant, for the use and enjoyment of the Commons, is granted to the persons who are from time to time members of the Association. Ownership of any Commons shall be conveyed in fee simple title, free of financial encumbrances to the Association upon their completion. Such conveyance shall be subject to easements and restrictions of record, and such other conditions as the Developer may at the time of such conveyance deem appropriate. Such conveyance shall be deemed to have been accepted by the Association and those persons who shall from time to time be members thereof upon the recording of a deed or deeds conveying such Commons to the Association.

When more than one person holds an interest in any lot all such persons shall be members. The vote (or such lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any lot.

Class B. The Class B member(s) shall be the Developer, who shall be entitled to three (3) votes for each lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever earlier occurs:

C. Board of Directors. The members shall elect a Board of Directors of the Association as prescribed by the Association's By-Laws. The Board of Directors shall manage the affairs of the Association.

D. Professional Management. No contract or agreement for

professional management of the Association shall be for a term in excess of three (3) years. Any such agreement or contract shall provide for termination by either party with or without cause without any termination fee by written notice of ninety (90) days or less.

E. Responsibilities of the Association.

(v) The Association may contract for such service as management, snow removal, security control, trash removal, and such other services as the Association deems necessary or advisable.

10. COVENANT FOR MAINTENANCE ASSESSMENTS.

A. Creation of the Lien and Personal Obligation of Assessments.

Each owner of any lot in the subdivision, except the Developer, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges; and (2) special assessments for capital improvements and operating deficits, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, cost and reasonable attorneys' fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them. No charge or assessment shall ever be levied by the Association against the Developer.

B. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, safety and welfare of the residents in the Development and for the improvement and maintenance of the Common Area and improvements, operated or maintained by the Association, and the landscape easements on the Development and other purposes as Specifically provided herein.

C. Special Assessments for Capital Improvements and Operating Deficits. In addition to the annual assessments authorized above,

the Association may levy a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any capital improvement which the Association is required to maintain or for operating deficits which the Association may from time to time incur, provided that any such assessment shall have the assent of a majority of the votes of the members who are voting in person or by proxy at a meeting duly called for this purpose.

D. Notice and Quorum for Any Action Authorized Under Section C. Written notice of any meeting called for the purpose of taking any action authorized under Section C shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of the membership shall constitute a quorum. If the required quorum is not present, another meeting may be called, subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

E. Date of Commencement of Annual Assessments: Due Dates. The annual assessment provided for herein shall commence for each lot on the date of conveyance to the owner by deed or on the date the owner signs a land contract to purchase a lot. The Board of Directors shall fix any increase in the amount of the annual assessment at least thirty (30) days in advance of the effective date of such increase. Written notice of special assessments and such other assessment notices as the Board of Directors shall deem appropriate shall be sent to every owner subject thereto. The due dates for all assessments shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in recordable form signed by an officer of the Association setting forth whether the assessments on a specified lot have been paid. A properly executed certificate from the Association regarding the status of assessments for any lot shall be binding upon the Association as of the date of its issuance.

F. Effect of Non-Payment of Assessments: Remedies of the Association. Any charge levied or assessed against any lot, together with interest and other charges or costs as hereinafter provided, shall become and remain a lien upon that lot until paid in full, and shall also be a personal obligation of the owner or owners of that lot at the time the charge fell due. Such charge shall bear interest at the rate of twelve-percent (12%) per annum until paid in full. If, in the opinion of the Board of Directors of the Association, such charge has remained due and payable for an unreasonably long period of time, the Board may, on behalf of the Association, institute such procedures either at law or in equity, by foreclosure or otherwise, to collect the amount owing in any court of competent jurisdiction. The owner of the lot or lots subject to the charge, shall, in addition to the amount of the charge at the time legal action is instituted, be obliged to pay any expense or costs, including attorneys' fees,

incurred by the Association in collecting the same. Every interest in each lot, whether as an owner or otherwise is hereby notified, and by acquisition of such Interest agrees, that any such liens which may exist upon said lot at the time of the acquisition of such interest are valid liens and shall be paid. Every person who shall become an owner of a lot in the Development is hereby notified that by the act of acquiring, making such purchase or acquiring such title, such person shall be conclusively held to have covenanted to pay the Association all charges that the Association shall make pursuant to this subparagraph of the Restrictions.

The Association shall, upon demand, at any time, furnish a certificate in writing signed by an officer of the Association that the assessments on a specified lot have been paid or that certain assessments against said lot remain unpaid, as the case may be. A reasonable charge may be made by the Board of Directors of the Association for the issuance of these certificates. Such certificates shall be conclusive evidence of payment of any assessment therein stated to have been paid.

G. Subordination of the Lien to Mortgagee. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not affect the assessment lien. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof. Provided, however, the sale or transfer of any lot pursuant to the foreclosure of any first mortgage on such lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments becoming due prior to the date of such sale or transfer.

H. Suspension of Privileges of Membership. Notwithstanding any other provision contained herein, the Board of Directors of the Association shall have the right to suspend the voting rights, if any, and the services to be provided by the Association together with the right to use the facilities of the Association, of any member or associate member (i) for any period during which any of the Association's charges or any fines assessed under these Restrictions owed by the member or associate member remains unpaid, (ii) during the period of any continuing violation of the restrictive covenants for the Development, after the existence of the violation shall have been declared by the Board of Directors of the Association; and (iii) during the period of any violation of the Articles of Incorporation, By-Laws, or regulations of the Association.

11. REMEDIES.

A. In General. The Association or any party to whose benefit these Restrictions inure, including the Developer, may proceed at law or in equity to prevent the occurrence or continuation of any violation of these Restrictions, together with right to collect costs and reasonable attorney's fees, but neither the Developer nor the Association shall be liable for damages of any kind to any person for failing either to abide by, enforce, or carry out any of these

Restrictions.

B. Delay or Failure to enforce. No delay or failure on the part of any aggrieved party to invoke, any available remedy with respect to a violation of any one or more of these Restrictions shall be held to be a waiver by that party (or an estoppel of that party to assert) any right available to him upon the occurrence, reoccurrence or continuation of such violation or violations of these Restrictions.

C. Enforcement by Town of Fishers Municipal Plan Commission. These Restrictions may be enforced by the Fishers Plan Commission of the Town of Fishers, Indiana, or its successors or assigns, pursuant to whatever powers or procedures are statutorily available to it for such purposes.

12. EFFECT OF BECOMING AN OWNER.

The owners of any lot subject to these Restrictions by acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether froze the Developer or a subsequent owner of such lot, shall accept such deed and execute such contract subject to each and every Restriction and agreement herein contained. By acceptance of such deed or execution of such contract, the owner acknowledges the rights and powers of the Developer, Committee and of the Association with respect to these Restrictions, and also, for themselves, their heirs, personal representatives, successors and assigns, such owner, covenant and agree and consent to and with the Developer, Committee and the Association and to and with the owners and subsequent owners of each of the lots affected by these Restrictions to keep, observe, comply with and perform such Restrictions and agreements.

13. TITLES.

The titles preceding the various paragraphs and subparagraphs of the Restrictions are for convenience of reference only and none of them shall be used as an aid to the construction of any provision of the Restrictions. Wherever and whenever applicable, the singular form of any word shall be taken to moan or apply to the plural, and the masculine form shall be taken to mean or apply to the feminine or to the neuter.

14. DURATION.

The foregoing Covenants and Restrictions are to run with the land and shall-be binding on all parties and all persons claiming under them until January 1, 2008, at which time said Covenants and Restrictions shall be automatically extended for successive periods of ten (10) years, unless changed in whole or in part by vote of those persons who are then the owners of seventy-five percent (75%) of the numbered lots in the Development.

15. SEVERABILITY.

Every one of the Restrictions is hereby declared to be independent of and several, from the rest of the Restrictions and of and from every other one of the Restrictions and at and from every combination of the Restrictions.

Therefore, if any of the restrictions shall be held to be invalid or to

be unenforceable, or to lack the quality of running with the land, that holding shall be without effect upon the validity, enforceability or running quality of any other one of the Restrictions.

16. AMENDMENT.

These Restrictions may be amended by a vote of seventy-five percent (75%) of the then lot owners of all lots in the Development.
